Instructions and Information pertaining to the use of this contract

- 1 Each purchase order issued against this contract should be marked, "MHEC CONTRACT- GRAPHIC ARTS AND DRAFTING PRODUCTS - MC09-B05."
- 2 A separate invoice will be issued by the respective vendor to the respective school for the material shipped against each purchase order received against the contract.
- 3 Orders may be phoned in to the vendor of your choice, if confirming orders are authorized by your school. All phone orders must be confirmed in writing and clearly marked, CONFIRMATION-DO NOT DUPLICATE."
- 4 Use of the contract is left to the discretion of each respective school. No guarantee of volume has been made to the vendors.
- 5 Some contract vendors listed herein, have agreed to extend their MHEC prices/discounts to the faculty, staff and students of the MHEC member institutions. It shall be clearly understood that any such purchase may only be made by a member of the faculty, staff or student body who can produce appropriate and acceptable school identification; that the person shall be an end-user for educational-research purposes; that payment shall be made in cash upon ordering or as required by the respective vendor; that any such purchase shall be subject to applicable taxes, and that the MHEC and its member institutions shall accept no responsibility for ordering, receiving, payment, or collections.
- 6 Persons who use this contract will be responsible for pricing their purchase orders from the price books furnished to their respective school. If additional copies of catalogues or price books are needed, the respective school should contact the respective vendor directly. Price books are usually updated quarterly. Prices are subject to increase, but all discounts and markups will remain firm throughout the term of the contract. Please be careful to price orders accurately, using current price books.
- 7 If you have any questions pertaining to the use of this contract, or need literature and/or price lists, please call the respective vendor in question.
- 8 Promotional prices and volume discount prices may be available at the time of your purchase. Inquire of each vendor if such promotions are available. Be sure to back this up with a written quote.
- 9 Various types of purchase orders may be issued against the contract by each respective school, with no dollar limit.
- 10 Discounts and markups shall remain firm throughout the term of the contract. If there is a price reduction from the manufacturer, the vendor shall pass the reduction on to MHEC. If ordering product from a vendor offering net pricing and the price list does not contain a particular item, it should be assumed it is not covered by this contract unless added by addendum.
- 11 NOTE: The UMass President's Office, Suburban Experiment Stations, the County Extension Services, and the Board of Higher Education are eligible to use MHEC Contracts by virtue of their association with Higher Education.
- 12 Following are the discounts/markups or prices offered by each vendor. IMPORTANT: Just as vendor discounts and markups vary, so do vendor list prices. Therefore, the largest discount may not necessarily mean the "best price." You are urged to check net prices for comparable products carefully among the various vendors. This is especially true on products offered at a markup over dealer net costs.
