#### Instructions and Information pertaining to the use of this contract

- 1 Various types of purchase orders may be issued against the contract by each respective school, with no dollar limit.
- 2 The contractor will ship and bill the material requested on each purchase order directly to the respective school.
- 3 Each purchase order issued against this contract should be marked, "MHEC CONTRACT - "Uniforms and Occupational Equipment-MC10-G12"
- 4 Orders may be phoned in to the vendor of your choice in accordance with the Confirming Order Policy of your school. All phone orders must be confirmed in writing and clearly marked, "CONFIRMATION - DO NOT DUPLICATE."
- 5 Use of the contract is left to the discretion of each respective school. No guarantee of volume has been made to the vendors.
- 6 MHEC contract information is available to members on the Web at [www.mhec.net](http://www.mhec.net).
- 7 Vendor agrees to indemnify and hold the MHEC member institutions harmless against any claim, suits or judgments by any purchasers against any member institution arising out of the purchase of the goods furnished. Vendor will replace any defective or incorrectly furnished goods.
- 8 Following are the discounts offered by each vendor. (IMPORTANT: Just as vendor discounts vary, so do vendor list prices. Therefore, the largest discount may not necessarily mean the "best price". You are urged to check net prices for comparable products carefully among the various vendors).
- 9 The Contractor shall not discriminate against any qualified employee or applicant for employment because of race, color, national origin, ancestry, age, sex, religion, physical or mental handicap, or sexual orientation. The Contractor agrees to comply with all applicable Federal and State statutes, rules and regulations prohibiting discrimination in employment including but not limited to: Title VII of the Civil Rights Act of 1964; the Age Discrimination in Employment Act of 1967; Section 504 of the Rehabilitation Act of 1973; the Americans with Disabilities Act of 1990; M.G.L. C.151B and 151C.
- 10 Upon request, vendors will supply individual written quotes based on the terms of their individual contract, i.e., if pricing is based on a discount off list, the quote will show current list, contract discount and net price. If based on a markup over dealer net, it will show dealer cost, contract markup and MHEC Net Price.
- 11 Unless otherwise exempted by law, the Contractor shall defend and settle any third party claim against the Commonwealth of Massachusetts, the Massachusetts Higher Education Consortium (herein referred to as "MHEC"), its members and the respective Trustees, Directors, officers, employees and agents for physical injuries to persons, including death, or damage to property, which arise out of the sole negligence of Contractor, including its Directors, officers, employees, agents or subcontractors, in the Contractor's performance of the Contract. The Contractor shall at no time be considered an agent or representative of said indemnities. Contractor's obligation to indemnify is conditioned upon prompt notification to the Contractor from any of the said indemnities that such a claim has been made, full cooperation of the Indemnities in the defense of the claim, and the Contractor having sole control of the defense of such claim and any negotiated settlement. The Contractor shall be liable for any judgment finally awarded, including interest, penalties, or attorneys fees, and for the total

amount of any settlement agreed to by the Contractor.

- 12 Neither party shall be liable to the other or be deemed to be in breach of this contract for any failure, delay or in rendering performance hereunder arising out of conditions beyond its reasonable control, and without its fault or negligence. Such conditions shall include, but not be limited to acts of God, Government restrictions, acts of terrorism, war, fires, floods, epidemics, quarantine restrictions, strikes and weather conditions.
- 13 Contractor certifies that this Contract is in full compliance with all applicable regulations and requirements of law, as set forth herein. Contractor further certifies under the pains and penalties of perjury that pursuant to M.G.L. c62C, s.49A, that the Contractor has filed all state tax returns, paid all taxes and complied with all laws of the Commonwealth of Massachusetts relating to taxes; and that pursuant to M.G.L. c.151A,s.19A(b), has complied with all laws of the Commonwealth relating to contributions and payment in lieu of contributions to the Employment Security System; and with all laws of the Commonwealth relating to Worker's Compensation, c152. The Contractor also represents that (s)he/it is qualified to perform the worker's services and has obtained all requisite licenses and permits to perform the services as may be required.
- 14 Contract vendor/installers must comply with all parking regulations applicable to the school and campus where the project is to be performed.
- 15 Contractor must file, by August 1, a sales volume report, for each member school, for that period of time for which Contractor was under contract with the Massachusetts Higher Education Consortium. If volume comes from dealers it is the contract vendor's responsibility to retrieve sales information from each dealer. This report must be filed for each fiscal year, by August 1. Failure to file the sales volume report each year by August 1st, will result in your contract being suspended until such report is submitted and the MHEC may enforce a fine of \$50 to be reinstated back on contract.
- 17 Upon request, vendors shall furnish and distribute sufficient copies of their current catalog(s) and/or price list(s), if applicable, to all members of the MHEC. The creation of a webpage specifically dedicated to contract pricing for MHEC members is encouraged.
- 18 In Massachusetts, in accordance with Chapter 29, Section 29C and State Regulation 815 CMR 4.03, standard payment terms for state institutions are Net 30 Days, with interest assessable only after 45 days.
- 19 Vendor agrees to indemnify and hold the MHEC member institutions harmless against any claim, suits or judgments by any purchasers against any member institution arising out of the purchase of the goods furnished. Vendor will replace any defective or incorrectly furnished goods.
