## Contract Notes

### MC10-G19 Physical Plant Equipment & Supplies

#### General Notes on the Contract

NEW CONTRACT TITLE FROM HARDWARE TO PHYSICAL PLANT EQUIPMENT & SUPPLIES.

NEW CONTRACT PERIOD FROM ONE (1) YEAR TO THREE (3) YEARS.

BID PROCESS: Bid posted on June 16th and opened on July 15th, 55 bidders had an opportunity to submit offers. Received 15 complete bids.

NO BIDS: 5 no bids: Allied Electronics, Barnes Distribution, Holyoke Lock, Lowes, and Vulcan Locksmith. None of these vendors are current contract holders.

NO LONGER ON CONTRACT: WW Grainger - Was disqualified based on submitting an incomplete bid package.

BRANDS: 168 brands offered

NEW BIDDERS: Dugmore & Duncan, Fastenal Co., MSC Indus, MTS Assoc., Northland Industrial, Pasek, and Pro Tool.

PLACING ORDERS: When placing order or requesting a quotation please make sure the MHEC contract number MC10-G19 is referenced on all documentation.

MERGED CONTRACT: Contract MC08-G16 Material Handling has been merged into this contract.

ENTIRE CATALOG: As a convenience to the member MSC Industrial Supply Co. has been awarded the entire catalog offer in addition to brands awarded at deeper discounts. There are exceptions. Orders placed in the catalog must be related to this Hardware contract. Do not order Appliances, Custodial Supplies, Grounds Maintenance Equipment, Safety Equipment & Supplies, Plumbing equipment or any other products that are covered on other MHEC contracts. Members must order a brand covered in the contract before ordering from the catalog. Before ordering from the catalog it would be in the members best interest to search for the brand which has been awarded to another G19 vendor who may have offered a better discount. MSC Industrial Supply Co. is the only vendor on this contract awarded their entire catalog.

#### ENVIRONMENTAL PREFERABLE PRODUCTS:

STATE SCHOOLS: Deval L. Patrick has issued an executive order #484 dated 4/18/09 regarding the procurement of energy efficient products.

- Use only efficient lights such as compact fluorescent lamps, LED lighting, or other similar products. Until further notice, agencies shall be prohibited from purchasing incandescent lights unless absolutely necessary to meet a specific and unique agency need.
- Install LED and/or photo-luminescent exit signs to replace those with incandescent or fluorescent lighting wherever cost effective.
- Install programmable thermostats.
- Install motion sensors or timing devices in rooms that are used only intermittently, such as conference rooms, bathrooms, etc.
- Procure only computers, monitors, copiers, printers, enable all Energy Star features upon installation and establish policies and procedures to ensure that such equipment continues to operate efficiently during its life.

#### Product Categories - Use this list to search the Web under Product Categories

Cabinets, Storage, Casters, Conveyors, Cranes, Dock Equipment, Doors, Electrical, Entire catalog, Fasteners, Hardware, Hardware Maintenance, Hoists, Hoppers, Ladders, Lighting, Lockers, Material Handling, Pallet Equipment, Rental - Heavy Equipment, Shop Equipment, Storage, Tools-handheld, Tools-powered, Waste Receptacles, Work Benches

## MC10-G19

### Physical Plant Equipment & Supplies

Contract Duration from 10/01/2009 through 09/30/2012

#### Instructions and Information pertaining to the use of this contract

- 1 A separate invoice will be issued by the respective vendor to the respective school for the material shipped against each purchase order received against the contract.
- 2 Each purchase order issued against this contract should be marked, "MHEC CONSORTIUM CONTRACT- Physical Plant Equipment & Supplies - MC10-G19."
- 3 Orders may be phoned in to the vendor of your choice in accordance with the Confirming Order policy of your school. All phone orders must be confirmed in writing and clearly marked, "CONFIRMATION--DO NOT DUPLICATE." NOTE: Check the contract before phoning in orders as some vendors require hard copy purchase orders.
- 4 Use of the contract is left to the discretion of each respective school. No guarantee of volume has been made to the vendor. The transition road to buying and using fully integrated microcomputer systems is filled with pitfalls. Therefore, first time computer users are encouraged to contract with vendors who offer local service and support when buying complete systems. Experienced users may wish to purchase multiple components with no support service from multiple sources. The same brand of equipment may be offered by several vendors.
- 5 Various types of purchase orders may be issued against the contract by each respective school, with no dollar limit.
- 6 If you have any questions pertaining to the use of this contract, call the respective vendor in question.
- 7 Contact the vendors directly to request literature and price lists. Upon request, vendors will supply individual written quotes based on the terms of their individual contract, i.e., if pricing is based on a discount off list, the quote will show current list, contract discount and net price. If based on a markup over dealer net, it will show dealer net, contract markup & MHEC net price.
- 8 Some contract vendors listed herein, have agreed to extend their MHEC prices/discounts to the faculty, staff and students of the MHEC member institutions. It shall be clearly understood that any such purchase may only be made by a member of the faculty, staff or student body who can produce appropriate and acceptable school identification; that the person shall be an end-user for educational-research purposes; that payment shall be made in cash upon ordering or as required by the respective vendor; that any such purchase shall be subject to applicable taxes, and that the MHEC and its member institutions shall accept no responsibility for ordering, receiving, payment, or collections.
- 9 NOTE: The UMass President's Office, Suburban Experiment Stations, the County Extension Services, and the Board of Higher Education are eligible to use MHEC Contracts by virtue of their association with Higher Education.
- 10 Following are the discounts/markups or prices offered by each vendor. IMPORTANT: Just as vendor discounts and markups vary, so do vendor list prices. Therefore, the largest discount may not necessarily mean the "best price." You are urged to check net prices for comparable products carefully among the various vendors. This is especially true on products offered at a markup over dealer net costs.
- 11 Installation of wiring by State agencies is subject to the prescribed rates of wages as determined by the Commissioner of Labor in accordance with the provisions of MGL Chapter

149, Sections 26 & 27 and is, therefore, not covered by this contract.

- 12 In Massachusetts, in accordance with Chapter 29, Section 29C and State Regulation 815 CMR 4.03, standard payment terms for state institutions are Net 30 Days, with interest assessable only after 45 days. 10A. Note any rules which may apply in other New England states.
- 13 Nondiscrimination of Employment and Affirmative Action: The Contractor shall not discriminate against any qualified employee or applicant for employment because of race, color, national origin, ancestry, age, sex, religion, physical or mental handicap, or sexual orientation. The Contractor agrees to comply with all applicable Federal and State statutes, rules and regulations prohibiting discrimination in employment including but not limited to: Title VII of the Civil Rights Act of 1964; the Age Discrimination in Employment Act of 1967; Section 504 of the Rehabilitation Act of 1973; the Americans with Disabilities Act of 1990; M.G.L. C.151B and 151C. 11a Federal Law: Note any additions for other New England States.
- 14 Force Majeure: Neither party shall be liable to the other or be deemed to be in breach of this contract for any failure, delay or in rendering performance hereunder arising out of conditions beyond its reasonable control, and without its fault or negligence. Such conditions shall include, but not be limited to acts of God, Government restrictions, acts of terrorism, war, fires, floods, epidemics, quarantine restrictions, strikes and weather of terrorism, war, fires, floods, epidemics, quarantine restrictions, strikes and weather
- 15 All OEM Equipment and supplies offered must be UL approved and marked Energy Star.
