

Benefits of Membership:

Save Time

MHEC's competitively bid contracts available for member use allow your staff to focus on other priorities.

Save Money

MHEC member purchasing volume is aggregated and utilized to achieve deeper discounts.

Meet Public Procurement Requirements

Our contracts are established through a public, fair, open and competitive bidding process.

Excellent Member Services

Our office is located in Massachusetts and we are available to assist members throughout New England with training, contract information and compliance resolution.

Quantifiable Member Savings

MHEC members receive individual spend reports annually.

Ease of Use

A user-friendly webpage and robust search engine provide users easy access to awarded contractors and pricing.

Be a Part of a Growing Organization

Today, we are growing rapidly by expanding membership and establishing new and innovative contracts. Our members include non-profit private secondary schools, municipalities, elementary and secondary schools, technical, vocational, and charter schools, and other entities with non-profit educational missions.

Events (free of charge to MHEC members):

- Four member meetings are convened on a quarterly basis to review contracts developments, discuss business, compare experiences, ask questions and learn about new initiatives.
- Roadshows, held throughout the summer, are intended to provide members the opportunity to meet with MHEC staff and learn how to navigate the website, while receiving tips and shortcuts that will save them time and money.
- The Annual Product Expo is a business trade show that offers members the opportunity to visit with many MHEC supply partners and view new products in one venue.
- Annual golf tournament/networking event for members and supply partners.

NEW ENGLAND'S PREMIER PURCHASING CONSORTIUM www.mhec.net

How to use the MHEC website:

The MHEC website offers members access to contracts, a contracted supplier directory, the Annual Report, meeting & event notices, links to supply partner websites, online trainings and other valuable information.

New Members:

Visit www.mhec.net
Hover over the members tab
Click Member Registration
Create user account and password

Please note: Registering on our website does not automatically make you an MHEC member. For a membership application, please refer to the Members section of the website.

Registered Members:

Visit www.mhec.net to login
When prompted, enter username and password

What is the MHEC?

The Massachusetts Higher Education Consortium (MHEC) is a non-profit regional purchasing consortium serving members throughout New England. Established in Massachusetts General law in 1977, MHEC competitively bids contracts for the commodities and services requested and needed by our members consistent with public bidding requirements. Our goal is to partner and contract with the most qualified (responsible and responsive) businesses offering the best pricing, contract terms, customer service, and product/service depth.

Call us today at 413-545-4669 or visit www.mhec.net to learn how MHEC membership can help save your organization money and time.

For Members

MHEC's no cost membership is available to all non-profit public and private institutions of higher education, technical, vocational, and charter schools as well as municipalities including elementary and secondary schools and other educational organizations throughout New England.
