

G17

CUSTODIAL CLEANING EQUIPMENT & SUPPLIES FREQUENTLY ASKED QUESTIONS

ABOUT

This contract.

The **G17 contract** was created to provide organizations with the tools, supplies, and equipment that can be used by custodial staff to keep the operational environment clean. There are **33 suppliers**, **60 product categories**, and **over 450 products**. The current contract was opened on 11/1/20 and goes through **10/31/23**. There are **4 suppliers that qualify as “diverse”** and **12 that are small businesses**. The MHEC manager for this contract is Jon Howard. He can be contacted at jhoward@mhec.net or called at: 413.992.2507.

This landing page.

Each of the 50+ contracts at MHEC have a landing page that has been created to give our members a “one-stop-shopping” experience. We’ve pulled together all the information in one place that we think you might like to know about when choosing to purchase from this contract. You can also find these things individually on our website. The page is updated often so we invite to check back routinely. You can also be asked to be added to our email list and we will contact you when there is new information regarding this contract and all the other ones you indicate on the contact form.

MHEC.

MHEC is a not-for-profit Group Purchasing Organization. MHEC creates diverse contracts for its not-for-profit members in all of the six New England states. This makes purchasing simple because they take care of bidding, negotiating, and awarding the contract in a fair and open way that complies with state regulations.
